OUR OFFICE POLICIES

Please complete and sign all of our forms and bring them with you to your appointment. We would appreciate your arrival 20 minutes prior to your appointment to give us sufficient time to process all of your information.

INSURANCE:

NOTE: Our office does not file insurance on group or private plans. We do, however, provide you with a superbill which you may use to file for reimbursement with your insurance carrier.

NOTE: We do accept and file Medicare claims and Medicare secondary insurances only. Remember to bring your Medicare card and your Medicare supplemental insurance cards. If you have Medicare, it is your responsibility to pay for any deductible amount, co-insurance, non-covered services, or any other balance not paid by your insurance company.

To keep our fees as low as possible, it is our policy to collect for services at the end of each appointment, unless you have Medicare. For your convenience, we accept payment by Mastercard, Visa, and Discover, American Express and personal checks. We do not accept post-dated checks.

Medical insurance usually reimburses well for office visits and Osteopathic manipulative treatments. Reimbursement for Acupuncture, Prolotherapy, and Spinal Decompression varies widely.

MISSED APPOINTMENTS:

Please recognize that an appointment cancelled at the last minute results in a lost opportunity for another patient to see us. We therefore require 24 hours advanced notice for cancellation. Patients who do not cancel an appointment 24 hours in advance will be billed for the entire amount of that appointment. Exceptions will be made for emergency situations.

I have read the above and understand Dr. Teitelbaum's office policies.
